ALLEGATIONS

The complainant related that while working security at 1165 N. Milwaukee he was struck twice by an offender's vehicle who he was trying to stop. This individual was not supposed to be on the apartment complex's grounds. Complainant stated that while the offenders were still on the scene: the officers who responded refused to take police action.

Briefly summarize the investigation describing your efforts to prove or disprove the allegation(s). Indicate whether witnesses or evidence support or do not support the allegation(s). In sustained cases ONLY, copies of the accused member's Summary of Previous Disciplinary Actions and Record of Previous Complimentary History will be included as attachments.

R/Sgt was assigned to this investigation by way of an initiation report (Att 1). R/Sgt attempted to contact both the complainant and witness at the phone numbers listed. The number listed for the complainant, [REDACTED] has been disconnected with no forwarding number. Also, the R/Sgt phoned the witness at [REDACTED] and was informed that the phone has been disconnected. A forwarding number was not listed. On 07 Jan 2008 R/Sgt located himself to the complainant's address of 1165 N. Milwaukee in an effort to speak with the complainant. R/Sgt was unsuccessful in his attempt. On 25 Jan 2008 R/Sgt sent the complainant a registered letter (Atts 2&3) asking him to contact the R/Sgt. The letter was signed for on 01 Feb 2008. R/Sgt has not received a return phone call from the complainant to date. Also, In an effort to identify the officers that the complainant was referring R/Sgt ran the calls for service on the date in question as well as an event query (Att 4). The search listed Beats 1395, 1324, 1331, and 1369 responded to the scene of this incident. R/Sgt then referenced the Attendance and Assignment Records (Att 8) for 12 Oct 2007 and found the individuals manning those cars to be of similar description that was described by the complainant. However, Bt. 1331 was driven by a female and does not match the description. Bt. 1395 was manned by P.O. VAZQUEZ. Bt. 1324 was manned by P.O. ZUREK, and Bt. 1369 was manned by Sgt. Ronan. Sgt. Ronan was working in civilian dress on 12 Oct. 2008.

Summarize the findings and recommendations. Rule violations will be cited by number only. One overall recommendation for Disciplinary Action will be made by the investigator. The recommendation will be for ALL sustained findings; recommendations will NOT be made for each sustained allegation. Example: 1. Violation noted, no disciplinary action warranted. 2. That the accused member be reprimanded. 3. That the accused member be suspended for --- days (not to exceed 5 days).

PER the guide lines of G.O. 93-03-03, as well as the above information available, and lack of cooperation from the complainant the R/Sgt is finding a recommendation of : UNFOUNDED.

FINDINGS - RECOMMENDATIONS
